Introduction

Harmony is a comprehensive line of transitional/contemporary furniture for a wide range of Federal office environments. The line includes credenzas, desks, work surfaces, transaction components and more. A variety of upper storage units that double as privacy screening can create individual work spaces within open office areas. Storage options include filing cabinets, wardrobes, and bookcases. Computer support furniture and conference tables round out the Harmony line to meet the varying needs of today's workplace.

Construction Methods

Harmony's 32mm fabrication system assures precision construction and assembly.
